

MT-2 Laboratory Thermostatic Sand Bath

Basic Info

- Model NO.: MT-2
- Material: Stainless Steel
- Type: Heating Equipment
- Specification: 1pc in 1 carton
- HS Code: 8516609000

- Usage: Heating
- Reactant State: Solid
- Trademark: JY
- Origin: Changzhou, China

Product Description

Laboratory Thermostatic Sand Bath

1. Durable, 2000W, sheet inner
2. CE, ISO13485/14001/9001, SGS audited factory
3. Since1984

| Specifications of MT-2 Laboratory Thermostatic Sand Bath | |
|---|-------------------------|
| Power Supply | AC 220V/110V 50Hz/60Hz |
| Temperature range | Room temp to 300celsius |
| Digital display | Yes |
| Heaing power | 2000W |
| Working area | 30L*40W*10D (cm) |
