

HH-SC Super Thermostatic Water/Oil Bath

Basic Info

- Customized: Customized
- Material: Stainless Steel
- Application: School, Hospital, Lab
- Trademark: JY
- Origin: China
- Structure: Desktop
- Certification: CE, ISO, SGS
- Type: Heating Type
- Specification: CE, ISO13485/14001/9001
- HS Code: 8419899090

Product Description

Water/oil baths are made of high-quality stainless steel, with characteristics of compact structure, microprocessor controlling, easy to operate, air-cooled compressor, overheat protection, overcurrent protection, and novel stainless steel circulator, making it widely applicable for oil, biochemical, electronic instrument, physics, engineering, medicine, foodstuff, and other applications.
